

Supply List

Basic Watercolor

Kay Byfield, Instructor
kaybyfield@gmail.com

Because the characteristics of the supplies necessary for watercolor make a big difference in the quality of paintings, Kay Byfield gives the supply list to students on the first day of class rather than providing it here. During that class, students will be introduced to all the necessary supplies so that they can make economical purchases that will also lead to the highest probability for the success of their paintings.

Please do not buy any art supplies in advance of the first class meeting. Your needs will be supplied to you.
